SUPER FOOD CHRISTMAS GIFT BASKETS 2009

Aruba, November 2009

Dear Customer,

We are happy to offer you this year's special selection of gift baskets for the 2009 holiday season. This year, we offer both traditional Christmas baskets and exclusive Dutch Christmas packages. The traditional baskets come in three different local creations containing high quality products. Each of them is carefully created to offer you a unique gift to give to your loved ones, friends, colleagues or employees in the holiday season.

We also offer exclusive Dutch Christmas packages just like we had last year (in limited quantity). If you would like any additional information, please feel free to visit our customer service desk, where we will happily assist you. Or you can contact Astrid at 597-5573.

During the month of December we will have a special packaging area within the store where we can create your custom-made basket on the spot.

Best regards,

Management,

SUPER FOOD

*All the best wishes for a good, healthy
and happy holiday season*
